

SENATOR MARVEL: I'm sorry but the vote's already been announced, Senator Rumery. We're now on LB 21. Are there specific amendments to LB 21?

CLERK: Mr. President, the amendment before the House is again offered by Senator Murphy. I believe Senator Savage will handle it.

SENATOR MARVEL: Why don't we send a Page after Senator Savage and go to the next motion. We'll send a Page after Senator Savage and we'll go on to 372. Senator Kelly. Senator Kelly, we're ready to take up amendments to 372 on Select File.

SENATOR KELLY: Mr. Chairman, I move that we adopt the amendment shown on page 517 of the Journal that makes the corrections necessary to have LB 372 as the Legislature believes it is.

SENATOR MARVEL: You've heard the motion. Is there a second to the motion? Senator Nichol seconded. Senator Kelly, do you wish to explain the amendments any further?

SENATOR KELLY: Mr. President, there is no explanation of the amendments except that in the heat of debate we struck all licensing for day care centers in the metropolitan and primary cities in Nebraska. This, certainly, was not the intent of the opponents nor of the proponents. It was a floor debate error. This amendment corrects that and changes absolutely nothing else in the bill, but putting it where everybody thought we were.

SENATOR MARVEL: Is there any further discussion? The motion is to adopt the Kelly amendments to LB 372. All those in favor vote aye, opposed vote no. Needs 25 votes. Clerk, record.

CLERK: 27 ayes, 1 nay on the adoption of the Kelly amendment, Mr. President.

SENATOR MARVEL: The motion is carried. The amendments are adopted. Senator Kelly, do you want to make a motion to advance the bill to E & R for engrossment? Senator Kelly, the motion is carried. The amendments are adopted. Would you like to make a motion to readvance the bill.

SENATOR KELLY: Mr. President, I move we return LB 372 to E & R final.

SENATOR MARVEL: Is there a second to the motion? All those in favor say aye, opposed no. Motion carried. Bill is advanced. Before we go back to LB 21, in the South balcony I wish to welcome, from Senator Barnett's district, 40 third and fourth grade students from Riley School in Lincoln. Raise your hands so that we may recognize you. Chair recognizes Senator Savage on LB 21.

SENATOR SAVAGE: Mr. President, members of the Legislature, this is an amendment that Senator Murphy placed on the bill. It got into the wrong Section. It's a correctional matter. I'm the introducer of LB 21. I have no objections to it. I move its adoption.
